	to exceed 100% of the purc value, whichever is less.	hase price plus reh	abilitation cost, or after	rehabilitation fair market		
	The interest rate will be MSHA's current First-Time Homebuyer or Great Rate interest rate, plus 50 basis points for self-insurance, in effect at the time of loan registration with Maine State Housing Authority.					
	Up to \$5,000 can be used to cover the cost of materials when the borrower performs the rehabilitation.					
	Three seller points will be charged on the loan amount that is not rehabilitation improvements. The borrower will pay three points on the portion that is improvements, if any.					
	Local funds from participating municipality, local non-profits, or other sources may be used to fund rehabilitation costs, closing costs, and/or down payment/leveraging to eligible homebuyers. Amortizing loans will be secured by a junior mortgage, and may be deferred. Combined loan-to-value with additional funding cannot exceed 106%.					
	Purchase & Sale Agreements involving 2-4 unit properties must contain a 120-day time period					
	from contract to closing to allow adequate time for a current tenant to relocate if necessary. If the					
	unit the MSHA borrower will occupy is currently vacant, this contract
